ULTRA LITE  
ACCESSORIES

A series of accessories specifically designed with ease of use and lightweight construction add unmatched flexibility to the Atmos Ultra Lite Wheelchair Range.

## Head Support

Height and Angle adjustable ezi-fit headrest.  
Mounting bracket folds with chair without needing to be disassembled.

## Elevating Leg Rests

Angle adjustable Elevating Leg Rest. Comes fitted with height and angle adjustable calf pads. Available as a set or individual Left or Right legrests.

## Stump Supports

Padded and Contoured stump supports. Available for both Left and Right sides. The stump pad is depth, angle and height adjustable.

## Walking Stick Holder

Simple and effective, the clip on walking stick holder holds most types of walking sticks with a standard tip.
